- Great attention is being paid to the improvement of the Bulgarian railway and road network. Railway workshops in Sofia and other places are being modernized.
- Special Soviet commissions have arrived in Bulgaria with the object of improving communications and raising the output of the railway workshops. Of these commissions the following have been

essor Babichkov, a railway director.
 essor Boharov
 essor Chudev
 essor Gerapimov
 neer Lichev
 neer Stefanenko
 neer Rakov (or Rokov)

- ILLEGIB
- being introduced and work in some of the workshops. For example, it is said that a locomotive can now whereas before it took 45 days to do the same now be repaired in 18 days instead of 60.
 - now also being produced by railway workshops, machinery have been installed by the Russians.
 - Bulgarian and Romanian high-tension electric In particular, it is proposed to lay a line from Giurgiu in Romania and Ruse in Bulgaria.
